

WE

APPLE

We love creativity

We love innovation

We love apps

We love the web

We love Flash

We love our 3 million developers

We love healthy competition

We love touch screens

We love our Open Screen Project partners

We love HTML5

We love authoring code only once

We love all devices

We love all platforms

What we don't love is anybody taking away  
your freedom to choose what you create, how you create it,  
and what you experience on the web.
